About Pacifica Christian High School-Orange County

Several years ago, a group of parents, educators, and community leaders felt a deep need for a liberal arts and sciences high school in Orange County that would combine scholarship and discipleship to teach tomorrow's leaders to *think and live well*.

Thanks to the incredible generosity of a small group of donors who believed in its mission, Pacifica opened its doors to over 50 students in the fall of 2015 and has steadily increased enrollment each year with 191 students enrolled for the 2019-2020 academic year. In a short time, Pacifica has become known as an academically respected, Christ-centered, college-preparatory, transformational community committed to providing:

- academic excellence in an environment where students develop a heartfelt joy and interest in learning;
- a faculty who model the Christian life and who care deeply about each student;
- small discussion-based classes integrating Socratic method with personalized attention for each student;
- financial assistance for qualified students who would not otherwise be able to attend Pacifica;
- a welcoming community that practices virtue in service to God and others; and
- opportunities for students to explore and engage in the arts, athletics, community service, and leadership.

About Bloom, Our Annual Spring Benefit

Saturday, April 25, 2020 | 5:30PM-9:30PM
St. Matthew's Anglican Church, Newport Beach, CA

Bloom is Pacifica's annual spring fundraising celebration where thanks and praise are given for the on-going transformation of our community. *Bloom* ignites love for our school and our vision. Because tuition alone does not cover the vast needs of founding and operating a school, the funds raised at *Bloom* directly support financial assistance, facility improvements, classroom technology, arts, STEAM, athletics, and our outstanding faculty.

Donations to Pacifica and sponsorships of *Bloom* are tax deductible as permitted by federal tax law. Please consult with your tax advisor.
